**UNOPPOSED MOTION FOR LEAVE TO EXCEED PAGE LIMITATION  
REGARDING PLAINTIFF FREESCALE SEMICONDUCTOR, INC.'S  
RESPONSE TO MEDIATEK'S RENEWED MOTION TO DISMISS FOR LACK OF  
PERSONAL JURISDICTION**

Plaintiff, Freescale Semiconductor, Inc. ("Freescale") hereby submits this motion for leave to exceed the Court's page limitation with respect to Freescale's Response to Defendant MediaTek, Inc.'s ("MediaTek") Renewed Motion to Dismiss For Lack of Personal Jurisdiction (attached hereto as Exhibit A).

In support of this motion, Freescale would show that MediaTek's motion to dismiss raises myriad issues to which Freescale must properly respond. The additional pages sought by Freescale are necessary to sufficiently brief those issues (as well as the numerous issues arising from the jurisdictional discovery obtained from MediaTek), in order to aid this Court in reaching a correct and just result.

Freescale moves for an order from the Court extending the Court's briefing page limitation from 20 to 25 pages (or less) with respect to Freescale's response to MediaTek's motion to dismiss. Freescale's counsel conferred with MediaTek's counsel on August 28, 2013 regarding this motion, and MediaTek's counsel indicated that MediaTek does not oppose the motion.

A proposed Order granting Freescale's motion for leave to exceed is submitted herewith.

PERSONAL JURISDICTION**

The Court, having considered Freescale's Unopposed Motion for Leave to Exceed Page Limitation Regarding Freescale's Response to Defendant's Renewed Motion to Dismiss For Lack of Personal Jurisdiction, and noting that the motion is unopposed, finds that Freescale's motion has merit.
